

Notice of Construction and Parking Lot Restriction

TO: All Residents of Nash, Broad, Ellis, and Riley Court

DATE: November 15, 2022

Beginning December 5, 2022 Valley Construction will begin work for a new administrative building. This building will be located on the lot next to the parking lot at the corner of Ellis and Broad.

The parking lot at the corner of Ellis and Broad will be blocked off on December 1, 2022 and will possibly remain closed until the end of July, or when construction is completed.

Working hours for Valley Construction are Monday-Friday 8 a.m. until 6 p.m. However, they are approved to begin work at 7 a.m. if they choose to do so.

The construction site will be considered a restricted area during construction. Do not go onto the site for any reason. Do not approach their employees for any reason. If you have questions or concerns direct them to the office.

Street parking is available nearby. There is also a parking lot across from the Ellis Center on Ellis Drive. We are unable to designate parking on the street to any individual but we do ask that you be considerate of those requiring a handicap parking space.

The sheltered stop for the Transit Authority at the Ellis/Broad location will also be unavailable during construction. Please use the bench at the corner of Nash and Broad until further notice.

We appreciate your cooperation, and if you have any questions, please call the office at 753-5000 during regular business hours.

Faye Dodd
Executive Director
