TO ALL RESIDENTS

FROM: FAYE DODD, Executive Director

SUBJECT: **PEST CONTROL SCHEDULE FOR November 2023**

PEST CONTROL: The maintenance crew will be performing our quarterly pest control during the month of November 2023. Every resident must remove items from under the kitchen sink on the day that you are scheduled for spraying. Food is to be covered and if you have pet(s), your pet is to be contained during the spraying. We will also be changing the filters.

In addition, if we come to your home and are not able to gain entry or you have not removed everything from under your kitchen sink and cleared the baseboards, we will re-schedule and you will be charged a \$25.00 fee.

If a housekeeping issue is reported to the office during this pest control visit, a representative from the office will inspect your unit that day. This is your only notice of our intent to enter.

The following is the pest control schedule for November 2023:

November 7th: Nash, 9th, Broad, and Lafollette

November 8th: Cherry St., Ash St., Spruce St., Pine St., L.P. Miller St., N. 1st St., Chestnut St. and Ellis St.

November 9th: Riley Court, Hurt Dr. and Fairlane

Thank you for your cooperation in this matter. If you have any questions please call the office at 753-5000.
