August 1, 2024

TO: ALL RESIDENTS
FROM: Faye Dodd, Executive Director

RE: Electrical Contractor – GEC/Gallimore Electrical Contractors

This is to inform you that GEC will be on-site to install new over-the-sink light fixtures in the bathroom and replacing two electrical breakers in all units. This work is tentatively scheduled to begin in August 2024.

You will receive a notice as to what date the work is scheduled to be done in your area. These are HUD required updates. Installation will not be rescheduled for any reason.

You do not have to be present for this work to be done.

Each resident must make sure that:

1. The screen door is unlocked
2. The electrical panel (breaker box) is accessible.
3. Bathrooms are clean and free from excessive clutter.

Failure to comply with this notice will result in lease termination.

If a housekeeping issue is reported to the office during the install, a representative from the office will inspect your unit that day.

This will be your only notice of our intent to enter.

If you have any questions please contact the main office at 270-753-5000.
